Hey! I'm Ian.

I believe that design can impact the world for the better. Three things are important to my work:

Responsibility   **Accessibility**   **Transparency**

Work

2017 - present
Brand & Design Manager
Gofire Inc. - Denver, CO.

• Design, management and maintainence of all marketing, sales and investment materials. • Design of the Gofire App and desktop portals. • Packaging design. • Collaboration with cross-functional teams. • Coordination with third parties and vendors. • Participation in user-trials. • Management of freelance designers and design interns.

2018 - 2019
Artist in Residence
Museum of Outfoor Art - Englewood, CO.

• Design of a thoughtful and interactive experience for thousands of museum-goers of all ages and abilities. • Large scale fabrication and installation, including the electrical wiring of over 8,000 LEDs. • Installation maintenance.

2016 - 2017
Graphic & Web Designer
Vicki Myhren Gallery - Denver, CO.

• Design of marketing materials. • Design of gallery signage. • Web design maintenance.
